LAND TITLES.

V. B. WADDELL. A ND Proprieter of the Abstract of Land Titles in Tunica county, Mississippi. Look to your land titles. I have now complete, a perfect Abstract of Titles of all lands in Tunica county, Miss., as it was before portions of the same were taken for Tate and Quitman counties. This Abstract shows that there are very few perfect titles in Tunica county, Many of them are utterly defective, and there are scarcely any that are not clouded by tax-titles. In some instances I find that valuable plantations, about the titles of which the holders have entertained no doubt, are held by titles that would avail nothing before a court, either in prosecuting or defending a suit in ejectment. The defects in these titles may generally be cured if they are ascertained at once and the proper remedy applied. I will furnish abstracts on short notice, charging one dollar for each conveyance noted on the abstract. Payable on delivers.
